Dear President Zechman:

The ABHE Commission on Accreditation reviewed your institution at its February 15-19, 2014 meeting and took the following action:

Grant candidate status with concern for the institution's capacity to demonstrate full compliance with the following ABHE Standards:

- **Standard 2a, EE 5 (validation, as a result of using the outcomes assessment plan, that students are achieving the stated outcomes relative to institutional goals, program objectives and course objectives)**
- **Standard 6b, EE 1, 4 (adequate resources to achieve the institution's mission after separating its financial activities from other entities—elementary and secondary school)**
- **Standard 10, EE 3 (sufficient library funding and staffing to procure and maintain needed learning resources for all instructional modalities used by the institution)**

Congratulations on your new status! Candidate institutions are required to submit an annual progress report addressing the Commission's concerns and host a staff consultation visit in any year in which the college is not planning to host an evaluation team. **Your first progress report is due November 1, 2014, and should address the Commission's concerns noted above.** Please contact Dr. Tony Buchanan to arrange a consultation visit on a mutually agreeable date.

Please see the Report Guide at www.abhe.org under About Accreditation, Manuals and Forms, for assistance in formatting and submitting any reports you may be required to submit to the Commission.

The effective date of this approval is February 19, 2014. If you have any questions, please do not hesitate to contact your Commission Staff Representative/Consultant, Dr. Tony Buchanan.

May God bless your continued engagement in biblical higher education!

Dr. John W. Zechman, President, Penn View Bible Institute (PA)
