We're already looking ahead to our 19th annual Christmas Musical. It's always the highlight of our school year!

In order to see the Christmas Musical continue to advance and grow, we have developed the *Christmas Musical Sponsorship Program*. This program allows us to partner with local businesses who believe in what the musical is all about.

This year we are again planning to print a commemorative bulletin. Included will be space to promote sponsors of the event. We would be honored if you would choose to submit an ad in a show of support.

Our ad sizes and pricing can be found in the details of each level of sponsorship. We have a deadline of **October 1, 2026** for your advertisement to be in-house, along with your payment.
